*Wheel it or
wear it. We're
not here to
tell you what
to do.*

P.S. Unsnap the umpire back to reveal straps.
Those newly discovered zipper pockets on the
back panel have wheel covers to keep your
back so fresh and so clean.

1

Removable packing cube doubles as a compression strap. Pro tip: as your trip progresses use the cube for your dirty laundry.

2

Removable multi-pocketed panel—we mostly put our toiletries here, but socks, skivvies, medicines or anything else you want neatly organized and separate from the rest of your things is also a great idea.
